25X1X6

1. A Soviet tank firing range, about 3.7x1.5 miles, was observed between SPECK (N 54/U 44) and GRANZIN (N 54/U 44). Six tanks were seen firing with live ammunition.
2. About five hundred tank troops were quartered in 20 cantonment buildings near PRIESTERBEK (N 54/U 44), which had been cleared of its civilian population.
3. The following motor vehicles were identified at the firing range:

25X1C

25X1X6

Comment

The SPECK-GRANZIN area is said to be the training area of the NEUSTRELITZ (N 54/U 54) military post.

25X1A6a

Comment:

Component units of the 9th Gds Tank Div held major field exercises, including firing with live ammunition, in the SPECK-
